New This Year

In order to give our buyers a better chance to buy just the rams they want. We will be offering some pre-selected "Buyers Choice Pens" of rams. They will be branded with a lot number, and individually A-E. The initial highest bidder has the option to choose the pen; they can select one, two, three, four specific rams or all the rams in the pen. Anyone else can buy the remaining rams at the initial bid price. If no one else wants them at the initial bid price, they will be resold and the next winning bidder bought all the remaining rams in the pen.
